THE VALUE OF A LITTLE.

Do thy little, do it well ; Do what right and reason tell ; Do what wrong and sorrow claim ; Conquersis, and cover shanes

Do thy little, though it be Presriness and drudgery; They whom Christ apostles made. "Cathered fragments" when he bade. Do thy little, never mind Though thy brethren be unkind ; Though the men who ought to smile, Mock and taugut the for a while.

Do the little; never four While the Saviour standeth near t Let the world its leveling throw, On thy way undannied go. Do thy little, God has made Million leaves for forest shade; Smallest stars their glory bring-God employeth everything. Do thy little, and when thou Feelest on thy palid brow, Ere has fled the vital breath, Catd and damp the sweat of death-

Then the little thou has done-Little buttles thou hast won, Little meateries achieved, Little wants with cares relieved, Little words in love expressed, Little wrongs at once confessed, Little favore kradly done, Little toils thou didet not shun, Little graces meekly wen, Little slights with pationce borne-These shall crown the pillowed head,

Buly light upon thee shed; These are treasures that shall rise Far beyond the smiling shies. Those to thee shall all be eiven These shall all perfume the air When thy spirit enters there. Yet those still will linger hero,

And thy name shall long endcar, For a legacy shall be In their deathless memory.

THE WHITE PINE MINES.

est:

The principal inting now being done here is on and around Treasure Hill, which, of itself, is a sort of a curiosity; but I cannot describe it minutely, although I have been all april 12002.

Panny Fern, one of the most sensible women and trenchant writers or ill, -FLETCHER.

living, says: I am inclined to believe that there are a great many kinds of women, both in England and America. This dea seems to be lost sight of, by the writers of both nations, who have great end. - Young, lately undertaken to describe the Blessings ever we feminine element, under such titles as "The Girl of the Period," or "The Woman of the Time;" presenting to GAY. our view monstrosities, which no doubt exist, but which are no more to be taken as specimens of the whole, than is the Bearded Woman,

or the Mammoth Fat Girl.

New York, for instance, is not wholly given over to the feminine devil. Angels walk our streets, disdevil. cernable to eyes that mish to see .-Noble, thoughtful, earnest women; sick of shams and pretence; striving each, so far as in her lies, to abate school of love.- Tasso. ooth, and to diminish the amount of physical and moral suffering. Then, never go into the country for a ew weeks summer holiday, that I do not find large-hearted, largebrained women, stowed away among the green hills, in little cottages, which are glorifled inside and out by their presence; women who, amid the press of house and garden work, find time for metal culture; whose little bookshelves hold well-read copies of our best authors. Womensound physically, mentally, morally women, whom the Man of the Period, who most surely exists, has nover found. Now and then, some man, fit to be her mate, in his rambles in the sweet summer time, is struck as I am by these gems hidden amid the green hills, and appropriates them for his own. But for the most part, the more sensible a man is, the bigger the fool he marries. This is espec-

ially true of biographers ! What a wrong, then, to the great army of sensible, carnest women in either country to pick out a butterfly as the national type. Because a few men in New York and London and fathers? And yet what good, noble men are to be seen for the looking? Faithful to their trusts, faithful to spent .- Sophoches. themselves, unmoved by the waves of

as is the rock of Gibraltar. I claim that justice be done by these writers on both sides of the water to both sexes. Fools, like the poor, we shall always have with us; out, thank God, the "just" man and the "just" women still live to redeem the race. Men worthy to be fathers, and large-brained women, who do not even in this degenerate day, disdain to look well after their own MERIDITH. households.

A Cow gives Richer Milk when

Fat than when Poor." Such is one of the conclusions at rived at by Mr. Clark, from his experiments, (see Agriculturalist, for Dec., 1868, page 441.) There are fat Contrast Between the Efforts of Dec., 1868, page 441.) There are fat cows that give poor milk and not much of it. In fact this is one rea-
